

# GARDENA VALLEY DEMOCRATIC CLUB

Chartered by the Los Angeles County Democratic Central Committee

The Gardena Valley Democratic Club was founded in 1932 (if not earlier) and we have a long history of supporting progressive causes like **Health Care for All**, public education, civil rights, women's rights, voting rights and protecting the hard-won benefits that we've all worked all our lives for.

We have long fought against Republican attempts to eliminate or privatize social programs like Medicare and Social Security. We have fought to protect our pensions and health benefits from corporate raiders. And we are doing everything that we can to stop American jobs from going overseas, and to create good jobs here at home for hardworking Americans. **(NO TPP !!!)**

Like all true Democrats, we support equal opportunity for everyone and oppose every kind of discrimination. We support strong regulations to protect everyone in America from hazards in the workplace and fraud at home. We also fight to protect our environment so that future generations will enjoy a beautiful planet. We need all the help we can get!

Visit our website at [www.gvdc.org](http://www.gvdc.org) to find out more about our club! *Thanks!*

If you are a registered Democrat **or** if you intend to register as a Democrat when you are eligible to vote, please join our club! Let your voice be heard!

## the Affordable Care Act / [CoveredCA.com](http://CoveredCA.com)

More properly, the "[Patient Protection and Affordable Care Act](#)" because it includes a "Patient's Bill of Rights." That is the "Patient Protection" part. From the [HHS](#) website:

- Health plans can no longer limit or deny benefits to children under 19 due to a pre-existing condition.
- If you are under 26, you may be eligible to be covered under your parent's health plan.
- Insurers can no longer cancel your coverage just because you made an honest mistake.
- You now have the right to ask that your plan reconsider its denial of payment.
- Lifetime limits on most benefits are banned for all new health insurance plans.
- Insurance companies must now publicly justify any unreasonable rate hikes.
- Your premium dollars must be spent primarily on health care – not administrative costs.
- You may be eligible for recommended preventive health services. No copayment.
- Choose the primary care doctor you want from your plan's network.

It is now illegal to sell health insurance that doesn't comply with ALL of these patient's rights. That's why some people are losing their old health insurance -- because they were being robbed, and if they ever got a catastrophic illness, their insurance would have been cancelled.

So now the insurance you are buying, in the U.S.A., is actually worth the paper it's printed on! If everyone buys affordable health insurance, then costs are going to go down. Why? Because the most expensive form of health care is that dispensed in

hospital emergency rooms. And it's not only gunshot wound and traffic or athletics accident victims who go to emergency rooms. It's the 50 million Americans who don't have any health insurance and who may have only minor or moderate illnesses or injuries. If you've ever sat for 18 hours in the emergency room waiting area, you know what it's like.

And if emergency room costs go down, then insurance costs will go down for everyone, as will waiting times. In California, visit [CoveredCA.com](http://CoveredCA.com) or call **1-800-300-1506**.

Welcome to the Mexican American Democratic Club. As club president I am excited to challenge future Mexican American leaders to take the challenge of tomorrow's leadership through stewardship today. In order to do this, it is important to know that knowledge and understanding is the foundation and stronghold of a good leader. The Mexican American Democratic Club challenges today's youth to become involved, not only by voting and educating yourselves on the issues, but by developing a relationship with your elected officials by attending forums and meetings before they are on the ballot.

The Mexican American Democratic Club meets each **3<sup>rd</sup> Thursday** of the month at **La Feria Mexican Restaurant 10903 S. Inglewood Ave. Lennox, Ca. 90304 @6:30PM** to plan, organize and discuss Democratic politics. We are the grassroots force behind political campaigns and initiatives. Our members include everyone from local citizens to members of Congress and local city government.
